## Grand Opening for Lawrence, MA

Unitex formally opened its second facility in Lawrence, Massachusetts on November 4, 2022 with a Grand Opening and Ribbon-Cutting Ceremony. The day was a picture perfect, sunny autumn day—optimal for an outdoor celebration! A tent was set up with tables, refreshments, fall-inspired center pieces, and swag! A big shout out and thank you to **Tony Bastos**, General Manager, **Cheryl Boulanger**, Office Manager, and **Seth Gershman**, Marketing and Communications Director, who handled the event logistics, beautiful decor, and setup.

The well-attended event featured speeches by **Congresswoman Lori Trahan**, from the 3rd congressional district of MA; **Senator Barry R. Finegold** from the 2nd Essex and Middlesex districts; and **Mayor Brian A. DePena** and council people of the City of Lawrence. Unitex was presented with proclamations welcoming Unitex to Lawrence, including one from **Joe Bevilacqua**, President of the Merrimack Valley Chamber of Commerce. Guests included industry colleagues **Joe Ricci** and **Kevin Schwalb** from TRSA, members of State Representative **Christina A. Minicucci's** 14th Essex district office; as well as regional healthcare customers from Boston Medical, Tufts Healthcare, St. Elizabeth Crothall, Lowell General, Bedford Ambulatory Surgical Center, and more. Post ribbon-cutting, guests were ushered into the state-of-the-art facility and given a short tour as well as the opportunity to ask questions.

Senator Barry R. Finegold said, "My great grandfather came here, couldn't speak English, and didn't know too many people, but he got an opportunity. I imagine at Unitex, there's going to be many people that this could be their first job, the first generation that is also getting an opportunity."

Mayor Brian A. DePena and council members, Ana Levy, Gregory Delrosario, and Stephany Infante said, "Four years ago Unitex came in front of City Council with their plans and a request for tax incentives to invest and build their facility. We are excited to see 400 positions filled with local residents." ■

Recientemente, la planta de Newburgh organizó su evento inaugural de bolos de creación de equipos, organizado por Jessica Martin, supervisora de recursos humanos. “Creo que es muy importante que los empleados tengan un vínculo fuera del trabajo, ya que pasamos mucho tiempo trabajando juntos día tras día. Los bolos son un lugar saludable y activo donde todos podemos reunirnos y divertirnos. Esta actividad de creación de equipos continuará cada pocos meses y, con suerte, pronto participarán más plantas”, afirmó Jessica.
